Welcome to the GT Events reservation portal!

The intent of this document is to provide an overview of the reservation request system and how to make a reservation request.

Access to the GT Events reservation system can be found at space.gatech.edu. Click on “Reserve Space” at the bottom of the page. The GT Events help website can be found at space.gatech.edu/gt-events.

**GT Events Logon Screen**

Log into the GT Events Reservation System by using your standard GT account credentials.
GT Events HOME page

Below is a brief explanation of the key functions and features found on the GT Events HOME page.

Click CREATE A RESERVATION to begin the reservation request process.

Click MY HOME to display your Reservation Templates and Bookings. Creating reservation requests can be initiated from this screen.

Click HOME to return to the home menu screen.

Click MY EVENTS to view your current or past reservations and bookings.

Click EVENTS or LOCATIONS to BROWSE: EVENTS – View of all scheduled events by day, week or month. LOCATIONS – View of scheduled events by building and room.

Request links – Direct links to reservation templates used to create a reservation request.

Links to helpful information:
Event By Type: – View Public Lectures and Campus Events.
CREATE A RESERVATION process

Step 1: Click on **CREATE A RESERVATION**. You may also start the reservation process by clicking **MY HOME** or by using one of the request direct links below, depending on what type space you need.

The Room Request screen will display with the available reservation templates based on access rights. See **Creating a Reservation from Browse Locations** for details on creating reservations by browsing locations.

Step 2: Choose the appropriate reservation template based on the type space you require by clicking **book now**.

View details about the reservation template by clicking **about**. The INFORMATION tab displays guidance information when booking space. The BOOKING RULES tab displays specific information such as:

- Max number of bookings allowed per reservation
- Maximum length of booking allowed
- Only allow new bookings within this number of days
- Max number of bookings per day
- New booking cutoff hours
CREATE A RESERVATION process (continued)

* Optional 1 - Use the Add/Remove option to include or exclude Locations from the search. To search all locations on the reservation template, leave the Locations as (all).

* Optional 2 - Use the Add/Remove option to specify certain Setup Types. To search all setup types, leave the Setup Type as (no preference).

* Optional 3 - Enter the number of attendees in the Number of People field. This will eliminate rooms of lower capacity from the search results. To search for all available rooms, leave the Number of People field at 1.

Step 3: Select the date, start and end time of your event. Select the “Recurrence” button to enter multiple dates for a recurring event. (see Creating a Recurring Event for details)

Step 4: Click the Search button to search for all available rooms. Faculty and Staff – see How to Invite Attendees for information on the Outlook calendaring feature.
CREATE A RESERVATION process (continued)

The available rooms based on your search criteria will display.

Step 5: Select the desired room by clicking on the + symbol. To see additional information click on the room name or building name.

Step 6: Enter the number of attendees and select the setup type. Click Add Room.
CREATE A RESERVATION process (continued)

The selected room will appear under Selected Rooms.

Step 7: Click **Next Step** to proceed to the Services page.

The Services page will appear displaying available services, setup notes and any terms and conditions that are applicable.

Step 8: Select any services required (i.e. DVD Player in this example) by clicking the item name on the left and entering the quantity and any Special Instructions in the pop up box. Once completed, the selected item will show on the right under Services Summary.

Step 8 (continued): Enter setup notes and check that you have read and agree to the terms and conditions.

Step 9: Click **Next Step** to proceed to the Reservation Details page.
CREATE A RESERVATION process (continued)

The Reservations Details page will display.

Step 10: Complete all Event Details, Group Details and Additional Information fields. Note: 2nd contact information is not required.

Click **Create Reservation** once all field are completed.
