You may receive the following page when using Firefox or Chrome. Click on “Use light version”.

**CITRIX Receiver**

Welcome to Citrix Receiver

For the best experience, use the full set of features bundled with **Citrix Receiver for Windows**. Click Detect Receiver to get started.

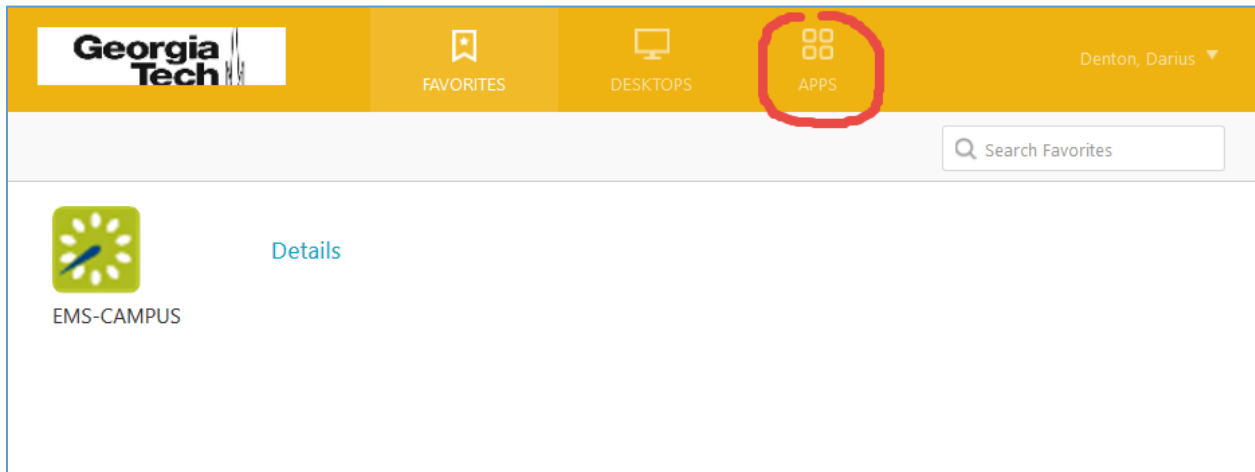

Detect Receiver

If you do not want to detect/install Citrix Receiver you can use the light version, with fewer features, in your browser.

The "FAVORITES" page will be displayed.

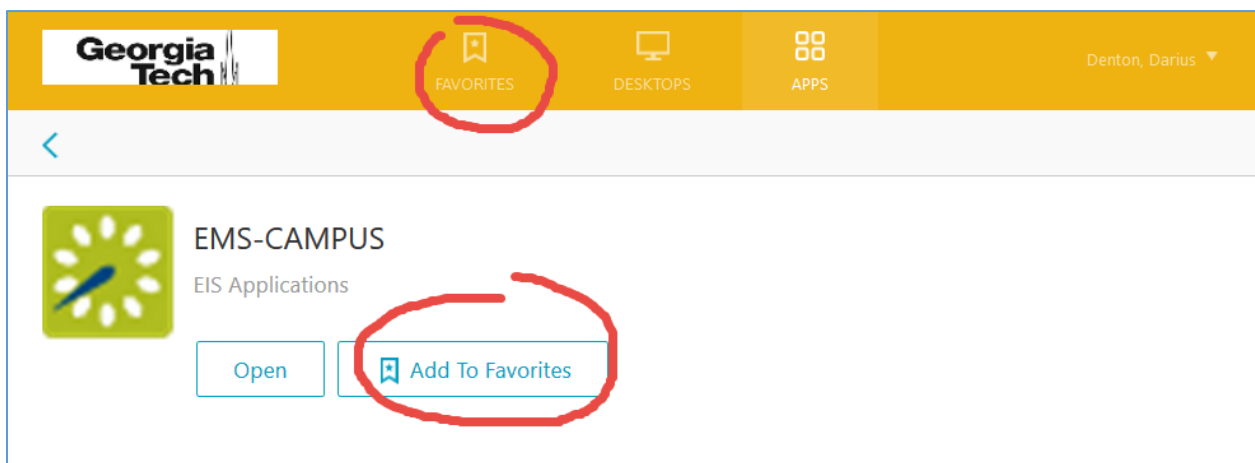

If you do not have the "EMS-Campus" icon on your "FAVORITES" page, click on "APPS" at the top.

Once on the "APPS" page, click on "Details" next to the EMS-CAMPUS icon. and then click on "Add to Favorites".

Click on "Add to Favorites". This will add the EMS-CAMPUS icon to your FAVORITES page. Click on "FAVORITES" to return to the favorites page.

Once the EMS-CAMPUS icon is on your FAVORITES page, click once on the "EMS-CAMPUS" icon to start the EMS desktop client.
